

The parishes of St Andrew Nether Wallop and
St Peter Over Wallop

ORGANIST

Our PCCs wish to appoint an organist with singing experience to develop music in collaboration with the Vicar, Lay Worship Leader and other parishioners. The successful candidate will play the organ regularly and will help a choir drawn from both parishes to prepare for services at the major Christian festivals and other special occasions. The post would be suitable either for a person seeking a first experience of working with a church or for someone looking for a commitment less than that required by a large parish. There is some flexibility and it is not an absolute requirement that the candidate be available every Sunday.

Candidates who are practising Christians are invited in the first instance to see the churches and to meet the Vicar, the Revd Vanessa Cole (Tel 01264 782615, email: vanessa@cole.org.uk)
